2017 TARIFF

TENTS, TOURERS, CAMPERVANS AND MOTORHOMES

COME AND STAY

TOURERS & MOTORHOMES

We have a number of grass and hard standing pitches located on two large fields with views across open countryside. Each spacious pitch has an electric hook up, room for a full size awning and parking for one car.

SEASONAL PITCHES & STORAGE AVAILABLE

CAMPING

Tent pitches are available with and without an electric hook up. Each pitch is approximately 8.5 x 12m with parking for one car.

CAMPING PODS

Our eight camping pods are located in their own secluded area of the park. Built in solid, treated timber and insulated with sheep's wool the pods are ideal for couples or young families. The pods have lighting, heating and a power socket but you will need to bring all your own camping equipment (including bedding and camp beds).

NEW AND PRE-OWNED HOLIDAY HOMES

Relax and unwind in a quiet countryside setting with your family and friends by owning your own holiday home at Woodhouse Farm. All our holiday home pitches are designed to give you the maximum space and privacy in either a woodland or open field setting. Each one is fully serviced and comes with its own verandah and car parking space; plenty of room to enjoy the fresh air around you.

THINGS TO DO

There are a number of outdoor activities which the whole family can enjoy together including mountain biking, walking, coarse and fly fishing, horse riding and golf (to name just a few).
Woodhouse Farm is also the perfect base for days out with plenty of interesting places and leisure activities close at hand.

Woodhouse Farm welcomes well-behaved dogs. We have a two acre exercise area and dog waste bins.

Our cycle track is now well established and takes a circular route around the outskirts of the park. We also have two well stocked fishing lakes.

For children there are two play forts and an indoor play barn with lots of activities. We also have plenty of open space for ball games and kite flying.

The Barn Bar and Restaurant serves great home cooked food, lovingly prepared using locally sourced ingredients. A takeaway service is also available.

Woodhouse Farm's shop offers a selection of groceries, newspapers, alcohol, sweets, toys and camping requisites. It also offers gas refill and fishing permits.

Clean, hot showers and modern toilets are available at all times. There are also baby changing rooms, a family bathroom, a disabled bathroom and well-equipped laundry facilities. All are serviced regularly every day.
