## How to Pitch

Pitch your  
unit / tent  
on the  
left hand  
side when  
facing your  
pitch

Awnings  
(if you  
have one)  
goes on  
the gravel  
or grass,  
depending  
upon your  
pitch type

Cars go on  
right hand  
side when  
facing  
pitch

Please park touring  
caravans with the  
tow bar at the front  
of the pitch. The  
instructions here may  
not suit European  
vehicles - please  
ask a member of the  
team if in doubt. If  
you have any issues,  
please let a member  
of the team know your  
pitch number, which  
is displayed on a  
coloured sign.
