ESCAPE

In the mood for a soul-reviving countryside camping adventure, but not quite so keen on the hassle of putting up your own awning, eating from a tin and 3am wanders to a loo au naturel? The luxury Emperor Pitches at Concierge Camping may just be exactly what you're looking for. Nestled in the leafy West Sussex countryside, framed by the beautiful South Downs National Park to one side and sandy beaches and quaint harbours to the other, this is truly a magical world to escape into.

UNWIND

If the Ritz did camping, this would be it. Leave your awning at home and experience camping in style with our Emperor Pitches. Unique to Concierge Camping, these fabulous 15m x 8m pitches provide everything you need to entertain, unwind and relax in comfort. On arrival, the hedge-lined pitch offers privacy and seclusion, with ample space for a large RV and car. The pièce de résistance, you will also enjoy your own private luxury Safari Tent with a large decking area designed to take the hassle of camping away completely so that you can kick-back and enjoy the surroundings without needing to lift a finger.

LUXURY

Inside the Safari Tents, you are greeted by the fresh aroma of pinewood. These African-style day living tents have all the home-comforts you could wish for, without loosing the rustic charm that only camping can provide.

There's a state-of-the-art long burning stove and well appointed kitchen perfect for rustling up delicious meals from local farm produce, with a large dining area and the luxury of a fridge, freezer and dishwasher to hand to lighten the load.

A close-up photograph of a showerhead with water spraying. The scene is bathed in a strong red light, creating a vibrant, monochromatic atmosphere. The showerhead is positioned at the top, with several streams of water falling downwards. The background is a dark, textured surface, possibly a shower door or wall, which is also illuminated by the red light. The overall composition is centered and balanced.

REVIVE

Last, and certainly not least, the on-site bathrooms. Forget everything you thought you knew about camping toilets. This is most definitely boutique hotel bathroom suite, not fetid festival loo. The stunning LED-lit individual showers, complimentary Concierge toiletries and backlit-mirror equipped granite washstands give a sense of Nordic sauna meets Turkish hammam. There's also a fully equipped Laundry Room and Camper Clean machine on-site, designed to make life as easy as possible for our guests.
