Festival style weddings and events at Bloomsburys

Bloomsburys is the perfect venue for a relaxed, festival style wedding, combining the chilled out glampsite with boho style restaurant and modern feel dance lodge. The areas are connected by the lovely wedding gardens and ceremony areas.

Our Glamping site is a unique area, set up so you can share more time and space together as part of your event.

You may wish to assign a team of friends or professionals to spend time setting up wedding decorations and extra elements bespoke to your event but even without, the site provides a stunning setting. We are here to support you as much or as little as you wish.

The Glampsite chill out area makes the perfect gathering place, especially when dressed with straw bales & rugs. There is power, water, self catering facilities, fridges and a fire pit.

This space is perfect for socialising at various points throughout the whole of your event.

On the wedding morning we can provide breakfast for the group either down at the camp or up on the terrace of the restaurant. See our special glampers breakfast menu.

Guests can make full use of the Glampsite's luxurious wet rooms to shower, change, pamper and get ready for the big day. You can also book our spa facilities to compliment your stay.

The wedding gardens will have all been dressed and groomed ready for your big day. The wedding gazebo is decorated and set for the ceremony and the guests are gathering on the lawn, taking their place on chairs or hay bale circles if you prefer.

The bride and groom marry either in the bespoke wedding gazebo or inside the lounge, if weather dictates.

Drinks and canapés can be served on the lawns, the bar terrace, or in the lodge after the ceremony, depending on your preference.

We are fully licensed for live, amplified music and the purchase and consumption of alcohol in both of the reception venues until 11.30pm. *N.B Please note that for noise containment reasons we are unable to allow amplified music outside, unless incidental to the ceremony. We can also allow small ipod style devices in the glamping site before 11.00pm.*

The terrace bar and restaurant, if chosen as the venue for your wedding breakfast, will be set up using our existing eclectic furniture and style. The dance lodge can then be used as the venue for your evening party. For this we can provide a pop up bar, casual sitting and chairs with soft lighting. Evening guests will have plenty of space to enjoy each others company or to sit in the various delightful spaces around the venue.

## Wedding and special event FAQ's

**Q / Can I bring in my own structures onto the Glamping site.?**

**A/** We discourage this as we love to make the space beautiful for you. However we can allow up to five separate hired or bought in structures or camper vehicles at a price of 25.00 per person.

**Q/ Can I bring my own booze for the wedding celebration / do you charge corkage?**

**A/** We have a wonderful range of excellent choices of drink; as we are fully licensed we do not offer this.

**Q/ How much will food and drink costs be?**

**A/** We offer a variety of high quality catering and drink packages from just £50 per person (see classic offer).

**Q/ Can we put up a marquee on the Glampsite itself?**

**A/** Whilst in principle this is fine it should not be required. We are limited by noise restrictions, hence the creation of the wonderful inside spaces that are offered at a rate well below any large marquee, regardless of any fixtures and fittings.

**Q/ Are we allowed a bouncy castle / bucking bronco etc?**

**A/** Yes, as long as the location and set up / operating times are pre - agreed. We accept no liability for injury.

**Q/ Can we bring on our own wedding caterers?**

**A/** We take great pride in offering the highest quality and variety as well as the best value catering options using our own, on - site facility so this option is not offered at Bloomsburys.

**Q/ What are check in / check out times?**

**A/** Arrival and departure times depend on the booking. If the glamping site is booked for your event it will be made available to guests from 9.00 am on the day of the event. Late check ins need to be pre agreed. Events not involving glamping will have the times pre - booked through the registrar.

**Q/ Can we stay for more than one night?**

**A/** It may be possible that we can offer the Glamping site to you the night before your event but this will be subject to availability and the extent of our involvement in your plans.

**Q/ Who will decorate the wedding venue?**

**A/** We love to make magical spaces for your event, but we recognise that there are many touches unique to you which you are welcome to add to the venue beforehand as long as we have previously agreed to them.

**Q/ Who is responsible for clearing up after the event?**

**A/** Clearing up after a party is never fun, and we understand that this is the last thing on your mind. However, please be aware that there is a refundable deposit payable to ensure that the site is not abused. The glampsite must be left as it was found and any loss, damage or breakages must be paid for. We can provide a cleaning / clearing service if required, which would allow you to relax the morning after!

**Q/ Will the site be open to the public during our event?**

**A/** We guarantee that there will be no public access at any time to areas booked and used during your event in order to preserve its sanctity.

**Q/ How much do I have to pay to book as I don't know details yet?**

**A/** Your event is unique to you, and needs very careful planning. We respect this and understand the complexity of organising it. To book your date we just require the venue hire payment as outlined on the previous page. This will enable you to relax and work on the details with us.

**Q/ We want to party all night - is that ok?**

**A/** Although we really want you have a wonderful stay here, due to noise restrictions we need guests to abide by the rules outlined in our glamping guidelines published online that are basically just common sense and courtesy!
