

An aerial photograph of a scenic river valley. A stone bridge with three arches spans the river in the middle ground. To the right, a cluster of stone buildings, including a large manor house, is nestled among trees. In the foreground, a grassy area contains several covered caravans and a white tent. A white motorhome is parked on the right bank of the river. The background shows rolling green hills and power lines under a clear sky.

We look forward to seeing you soon...
