Friends of all ages

Down a farm track, above a stream and round the corner from the deer park you'll find your totally exclusive site, Withybed Camp. So relax with your family and friends in privacy and explore or stay at camp toasting marshmallows over the camp fire or dining in the living yurt.

There are three sleeping yurts, with handmade wooden beds, a blanket box and thick rugs. Two yurts have a double, two singles & a further futon on request. The third has four singles. The final yurt is a stunning living space with a seating area & kitchen with a small gas hob, grill and fridge. Outside is a handmade seating area set around the campfire & fully functioning outdoor kitchen.

Tucked around the corner you will find your own private loo, hot shower and 'under the stars' wood-fired bath... a must try!

But don't just take our word for it...
