

Hiring Wyndham

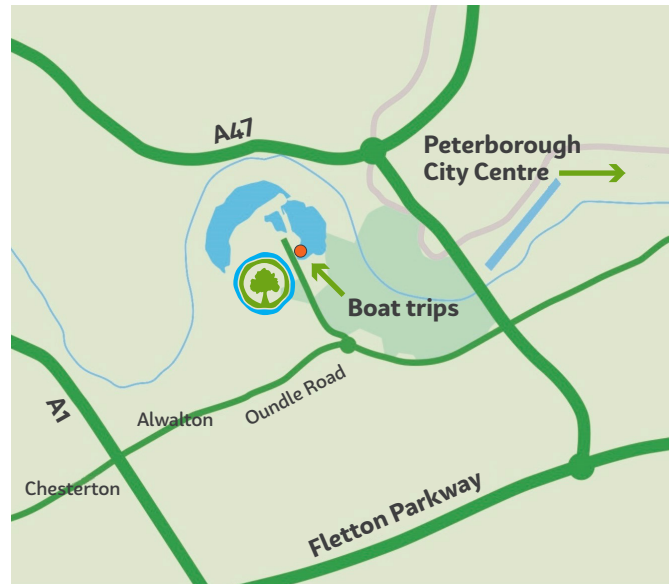

Private Hire

For those wanting a more personal experience, Wyndham is available for private hire. We provide the captain to drive the boat so that you and your family or friends can relax and enjoy the experience of having your own private cruiser for anything from one hour to a full day. Ideal for celebrating special occasions or as a thank you to colleagues or friends. To make the occasion extra special, we can also provide catering from Lakeside Kitchen and Bar. Talk to us to arrange your special event - from birthdays, anniversaries, corporate events and fishing to memorials, scattering of ashes...and much more!

Schools

Whether your topic is transport, rivers or wildlife, a class trip on the Wyndham can complement your learning and give your students an unforgettable experience. If you want to make a full day of your visit to the Park, our education team will be happy to tailor a programme of outdoor learning activities to meet your learning objectives. For more information on our outdoor learning programme visit www.nenepark.org.uk/education or send an email.

Take a boat trip

Passenger cruises and private hire

Wyndham

Nene Park Trust is proud to introduce Wyndham, Nene Park's new electrically-powered passenger boat. Built by Norfolk boat builders Landamores, Wyndham provides an opportunity for visitors to enjoy a unique view of the lakes and the River Nene around Ferry Meadows.

Powered by an electric motor, the boat is near silent when running and has minimal impact on the wildlife and environment of our beautiful country park. To ensure this tranquil experience is accessible to all, the boat has a gently sloping boarding ramp and a hydraulic lift, enabling up to two wheelchair users on board at any time.

The boat has been named 'Wyndham', after Wyndham Thomas, the chief architect of Ferry Meadows in the 1970s, a fitting tribute to the amazing work he did to lay the foundations for the Park we see today.

Passenger Trips & Cruises

Boat Trips

Throughout the summer months, Wyndham operates a regular service offering sightseeing cruises around Overton Lake. These 15 minute trips depart from the Visitor Centre Jetty in Ferry Meadows. For the latest operating dates, times and prices, please visit our website.

Cream Tea Cruises

What could be more relaxing than a cruise along the River Nene while enjoying a delicious cream tea? Our cruises are a great way to celebrate a special birthday or anniversary, or just an opportunity for good friends to get together. Give a ticket as a gift or treat yourself! Our cruises last around 1 hour 30 minutes and include a selection of cakes and sandwiches supplied by Lakeside Kitchen and Bar.

Wildlife Cruises

With a near-silent motor, Wyndham is the ideal craft for wildlife spotting. Join us on a cruise along the River Nene where swans, geese and other water fowl will glide alongside the boat with you. Wildlife highlights may also include herons, kingfishers and the elusive otter! Cruises last around 1 hour 30 minutes and our knowledgeable team will make sure you don't miss a thing, whilst helping you learn more about the wildlife you observe.

Cruises run frequently throughout the year, please check our website for the latest dates and prices: www.nenepark.org.uk/take-a-boat-trip
