We offer various governing body courses in a range of activities to aid your progression.

## **RYA sailing courses youth (8-15) & adult (16+) - £155 per person**

Learning to sail is rewarding and exciting. We operate the RYA Sailing Scheme throughout the year. Courses last for 2 days and promote a safe and fun learning environment. The beginner courses will take you through the basics of dinghy sailing, getting you to a standard where you are able to enjoy the freedom of sailing.

Once you have completed Level 2 / Stage 2 you can then come and hire one of our sailing dinghies and enjoy the water at your leisure. If you wish to progress further, we can also offer more advanced levels of the RYA sailing scheme.

**Adult courses during the weekends/evenings:** Level 1, Level 2, Level 3, Seamanship

**Youth courses during the school holidays:** Stage 1, Stage 2, Stage 3, Stage 4

## **RYA start windsurfing course - £155 per person**

Nene Outdoors is the perfect place to come and learn to windsurf on our 2 day course. Our safe and sheltered waters help you progress in this sport giving you the opportunity to focus on learning the basics, including preparation, sailing in all directions, manoeuvring the board and getting on and off the water.

For further progression you can hire our equipment when you choose to or you may like to join the Lakeside Sailing Club. Please visit [www.lakesidesailingclub.wixsite.com/lakesidesailingclub](http://www.lakesidesailingclub.wixsite.com/lakesidesailingclub) to find out more.

## RYA power boat courses - £255 per person

Power boat training is essential in the UK and many other countries. If you have a need to operate a powerboat you will need a minimum of an RYA level 2 power boat certificate. During this 2 day course you will be trained to drive and manoeuvre the craft in a safe and controlled way.

We can add extra courses into our calendar if you have 3 or more people interested in attending a course.

## Junior sailing club - £20 per person

Are you aged 8-15 and can already sail?

Come and take part in our junior sailing club and join like-minded people. The session is aimed at refining your existing skills and also build new ones. Each session will have a different focus to help you develop your sailing skills.

Runs Saturdays 3pm-4:30pm £20 per session.

## Private tuition - £39 for up to two people

Want to try something new or focus on a specific skill with personal tuition? We offer pre-booked sessions where you will have a dedicated instructor to provide exactly what you want from that session.
